

The Chirp

This Weeks Theme: Robert Munsch
Date: June 27 - July 1, 2016

Social/ Emotional Development:

The Crickets will be working on respecting other friends' feelings and choices. When a friend is upset, we will work on recognizing that it is okay to be upset and to give their friend a space bubble or to ask if they are okay. Also, when a friend says "no thank you" and declines a friend to play with them, we will work on playing elsewhere and respecting their choice to say no.

Cognitive Development:

The Crickets will be continuing their learning of shapes as well as working on counting. We will be making alligator mouths so we will have plenty of opportunities to count lots of teeth in art! We will also discuss sharing with our friends.

Large Motor Development

We will be working on our large motor skills by building our very own sandcastles to go along with the book "The Sandcastle Contest." Digging, scooping, patting, and dumping! We will also be working on our running skills as we pretend we are police men/women and put out pretend fires as fire fighters.

Language Development:

Our letter this week will be the letter "A" and we will be talking about words that start with the letter "A" and also what sound the letter "A" makes. We will read many wonderful books by Robert Munsch such as "Smelly Socks", "We Share Everything", "Alligator Baby", "Sandcastle Contest", and "I Love You Forever".

Art Experiences and Fine Motor Activities:

We will be using many different outlets for art this week. We will start the week off with painting with socks on our hands (very silly), and then we will work together as a group and finger paint a group painting of things we share. Our friends will be adding scales (noodles) to their pre-cut alligators. We will finish up the week by making a sandcastle out of glue and sand as well as gluing heart puzzles together.

Other Important Info:

As a reminder, we will be CLOSED on Monday, July 4th. We will also start progress phone calls the week of July 11-15. Please feel free to contact us with any questions or concerns.
