Native Plant Restoration

Thanks to all who helped restore woodlands at All Saints. In October, 13 varieties of native trees and shrubs were planted near the outdoor chapel — 75 plants in all.

Many volunteers donated time and energy to preparing the site by removing invasive species. Work continues in November on buckthorn removal. To help, contact Mike Rossing (mrossing66ehs@gmail.com) or Ruth Peterson (ruthapeterson@comcast.net).

Connection Cards

If you're a guest this morning, we encourage you to fill out the blue Connection Card attached to your bulletin and place it in the offering plate. This helps us connect with you and serve you better.

Poinsettias and Holiday Greenery Fundraiser

Buy holiday plants and greens from Bachman's to benefit the 2018 senior high mission trip to the Adirondack Mountains in New York.

Order forms are located behind the Welcome Center. Submit forms with payment to the church office by Sunday, November 12. Pick up orders at All Saints on Monday, November 27.
